

CLIMBER

Insight Climber has earned wide market recognition for its stable and reliable performance and smooth, comfortable exercise experience. Exclusively engineered for the long-term, high-frequency usage environment of commercial gyms, it prioritizes operational experience and maintenance efficiency on the basis of ensuring stable equipment operation, achieving an optimal balance among usability, reliability and operating costs.

RC-70 CLIMBER

Dimensions	1461mm×830mm×2139mm
Packaging Dimensions	1340mm×955mm×1330mm
Gross Weight / Net Weight	208/161kg
Maximum User Weight	150kg
Foot Pedal Width	242mm×558mm
Foot Pedal Height	205mm
Input Voltage	AC100-240V, ~50/60Hz
Rated Power	150W
Output Voltage	DC24V
Screen Type	21.5-inch LCD
Screen Material	LCD
Processor Parameters	1.0GHZ
Memory Parameters	128MB SiP@1600Mbps
Flash	SPI Flash
Display Information	Time, Steps, Cadence, Storey, Calories, Speed, Heart rate, Program modes, Fault diagnosis
Speed Range	25-169 steps/minute
Speed Levels	1-25
Speed Increment	6 steps/minute
Quick Access Keys	Speed adjustment
Training Modes	Quick start, program modes [10 preset training programs], target mode
Emergency Stop Switch Style	Press-type
Safety Key	NO
Special Features	System unmanned sensing, P2P Screen Casting
Charging Function	Wireless charging
Cup Holder	Yes
Phone Holder	Yes
Bluetooth	Yes
WIFI	Optional

RC-50 CLIMBER

Dimensions	1461mm×830mm×2139mm
Packaging Dimensions	1340mm×955mm×1330mm
Gross Weight / Net Weight	205/161kg
Maximum User Weight	150kg
Foot Pedal Width	242mm×558mm
Foot Pedal Height	205mm
Input Voltage	AC100-240V, -50/60Hz
Rated Power	150W
Output Voltage	DC24V
Screen Type	18.5-inch LED Console
Screen Material	Acrylic
Dot Matrix Window	6 LED windows + 32×12 dot matrix
Processor Parameters	8-bit microcontroller
Memory Parameters	32K RAM
Display Information	Time, Steps, Cadence, Storey, Calories, Speed, Heart rate, Program modes, Fault diagnosis
Speed Range	25-169 steps/minute
Speed Levels	1-25
Speed Increment	6 steps/minute
Fast Speed Gear	1, 4, 8, 12, 16, 20
Quick Access Keys	Speed adjustment,
Training Modes	Quick start, program modes [10 preset training programs], target mode
Emergency Stop Switch Style	Press-type
Safety Key	NO
Energy-Saving Function	System unmanned sensing, automatic standby, screen off
Charging Function	Wireless charging
Cup Holder	Yes
Phone Holder	Yes
Bluetooth	Optional
WIFI	Optional
