

SA SELECTORIZED SERIES

SA013 - LEG CURL

PRODUCT OVERVIEW

The ultimate hamstring training tool - your essential choice for building a powerful posterior chain. The ingenious multi-position adjustment disc and joint pivot design ensure users of all body types can find custom-fitted comfort and muscle engagement. The precision weight system ensures optimal training resistance regardless of strength level.

SPECIFICATIONS & KEY FEATURES

Specifications

Dimension:	1589*1100*1566mm
Total Weight:	248kg
Weight Stack:	100kg
Max Weight Stack:	125kg

Product Features

Robust and Durable, Value-Optimized Choice

The main frame utilizes Q235A high-frequency cold-rolled steel, with 40*140mm square tubing and 50*100mm oval tubing working in harmony to ensure machine durability. Surface finishing employs electrostatic powder coating, passing over 800 hours of salt spray and impact testing. The finish is brilliantly aesthetic while the machine remains incredibly durable.

Precision Adjustment, Biomechanical Excellence

Extensive biomechanical testing has created the perfect synergy of 4-position ankle adjustment disc, 8-position backrest, and 4-position leg pad adjustment systems. These three systems ensure every user, regardless of flexibility or body type, experiences custom-fitted training sensation.

Precise Knee Joint Pivot, Enhanced Contraction

Through extensive data sampling and biomechanical testing, we've identified the optimal pivot point position that perfectly aligns with the knee joint's movement axis, maximizing your hamstring training efficiency.

Precision Weight Stack Engineering, Professional Training Assurance

Utilizing a high-density cast iron weight stack system with specialized black textured powder coating for premium feel. Special protective coating ensures wear and corrosion resistance, providing lasting durability for professional training. The weight distribution is precisely calibrated, with maximum weight reaching 125kg, allowing you to easily find that "perfect training weight" without compromising.
